

TIME LED®

Gallery 7W LED Under Cabinet Light (40cm)

Installation and Operating Instructions

Read and follow instructions before operating your Under Cabinet Light
Save this manual for future reference.

Package includes:

- 1 x Gallery 7W LED Under Cabinet Light (40cm)
- 1 x Manual

Safety:

- **This fitting is Class II: Double insulated, no earth required.**
- Before installation or maintenance, isolate the main electrical supply for the appropriate circuit at the fuse board.
- The light should be mounted onto a secure surface.
- Position lights where they will not be exposed to splashes, steam or high heat.
- When the lamp expires, the fitting must be replaced.

A qualified electrician **MUST** be consulted or employed for the installation of this light. The installation of this product must comply with the current edition of IEE wiring regulations BS7671. This light is not suitable for bathrooms or for areas of high steam or heat.
