Read and follow instructions before operating your light.
Save this manual for future reference.

Package includes:

- 1 x Prestige 6W LED Fire Rated Downlight
- 1 x Driver
- 1 x Manual

Bezel Attachment/Replacement:

- Bezels are available in a range of finishes.
- To install bezel, simply place on to downlight; magnets will hold the bezel in place.

The light source of this luminaire is not replaceable; when the light source reaches its end of life, the whole luminaire should be replaced.

Before installation or maintenance, ensure that the mains supply to the luminaire is switched off and the circuit supply fuses are removed or circuit breaker turned off.

A qualified electrician MUST be consulted or employed for the installation of this luminaire.

The luminaire must be installed according to the relevant building regulations.

Check that the total load on the circuit, including when this luminaire is fitted, does not exceed the rating of the circuit cable fuse of the circuit breaker.
