

TIME LED[®]

Ambient 40W LED 12V Driver

Installation and Operating Instructions

Read and follow instructions before operating your driver.
Save this manual for future reference.

Package includes:

- 1 x Ambient 40W LED 12V Driver
- 1 x Manual

Safety:

- This product must be installed in accordance with the latest edition of the IEE Wiring Regulations (BS 7671) and current Building Regulations. If in any doubt, consult a qualified electrician.
- Please isolate mains prior to installation or maintenance
- Check the total load on the circuit (including when this product is fitted) does not exceed the rating of the circuit cable, fuse or circuit breaker
- Do not overload this product or subject it to conditions outside its rating
- Please note the IP (Ingress Protection) rating of this luminaire when deciding the location for installation
- This product is IP20 rated

INS-781234-V1

Product Code	781234
Size (mm)	160x20x58
Watts	40W
Input Frequency	50Hz
Voltage	170-265V
Hertz	50Hz
Current	3.33A

Power	40W
Power Factor (PF)	0.9
Material	PC
IP Rating	IP20
Warranty	1 Year

Installation:

- Provide power to the required point of installation.
- Connect the LED driver to the mains supply, ensuring the correct polarity is observed: Live = brown, Neutral = blue.
- Connect a suitable LED load to the secondary side of the driver, ensuring the correct polarity is observed: Red to positive (+) and Black to negative (-).
- Ensure cable strain relief is securing the cables effectively.
- Switch on power supply and check for correct operation.

Cleaning:

- Clean with a soft dry cloth only, do not use aggressive cleaning products or solvents which may damage the driver.

Warning:

- This product must be disconnected from the circuit if subjected to any high voltage or insulation resistance testing. Irreparable damage will occur if this instruction is not followed.

Warranty:

- This product is warranted to be free of defects in materials, design and workmanship for 1 year from the date of purchase (conditions apply, please see TIME LED website for further details). If a suspected fault should develop in this time, please contact us via the address on the front.

Recycling Advice:

Waste Electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your local authority or retailer for recycling advice.
