

# TIME LED<sup>®</sup>

## Landscape Range: IP54 GU10 Garden Spike Light

### Installation and Operating Instructions

Read and follow instructions before operating your light.  
Save this manual for future reference.

Package includes:

- 1 x IP54 GU10 Garden Spike Light
- 1 x Manual

#### Safety:

- Before installation or maintenance, isolate the main electrical supply for the appropriate circuit at the fuse board.
- Check that the total load on the circuit (including when this luminaire is fitted) does not exceed the rating of the circuit cable, fuse or circuit breaker.
- This product is IP54 rated and suitable for external applications.

This fitting is suitable to be installed in restricted accessible areas, (E.G pedestrians and pedal cycles only).

Product Code	781616   781623
Size (mm)	60x60x247
Lamp	GU10
Max Watts	35W
Tilt Angle	90°
IP Rating	IP54

Cable Length	3 Metres
Material	Stainless Steel (781616) Aluminium (781623)
Dimmable	No
Class	Class I
Voltage/Hertz	220-240V 50/60Hz
Warranty	2 Years

#### Instructions for new installations:

- 1) After deciding where to place the spotlight, ensure cables are long enough to connect from mains supply to spike light in the desired position, and are not a trip hazard. Screw the spike attachment into the spotlight unit.
- 2) Insert a GU10 lamp into the unit.
- 3) Cover the lamp with the lid; secure tightly to maintain IP rating.
- 4) Push spike into the ground, ensuring the lighting unit is facing in the desired direction.
- 5) Make adjustments to height of the light angle as required, by rotating lighting unit on holding bracket.

#### Cleaning:

- Do not use any chemical or abrasive cleaners.
- Clean product with only a soft dry cloth.
- Do not use any source of high pressure washers to clean.

#### Warning:

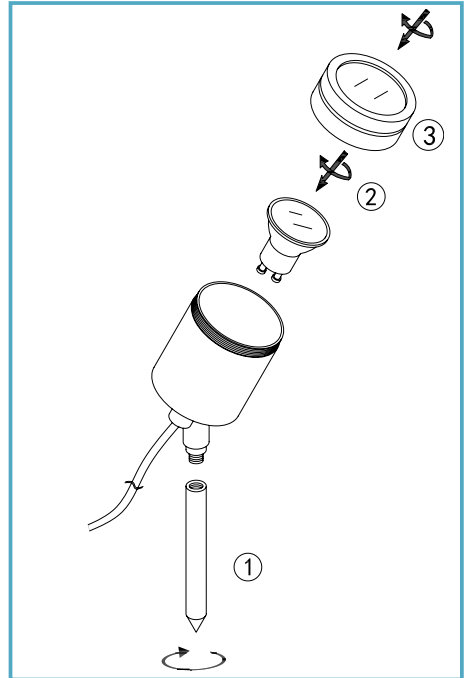

- This product is not a toy and contains small parts.
- This product is unsuitable for installation in or near coastal and marine environments.

#### Warranty:

- This product is warranted to be free of defects in materials, design and workmanship for 2 years from the date of purchase (conditions apply, please see TIME LED website for further details). If a suspected fault should develop in this time, please contact us via the address on the front.

#### Recycling Advice:

Waste Electrical products should not be disposed of with household waste. Please recycle where facilities exist. Check with your local authority or retailer for recycling advice.
