## Date of delivery

For items in stock, a suitable delivery date should be arranged at time of order.

For out-of-stock items, an estimated delivery time will be advised at the time of order.

Please note that the estimated delivery date does not form part of the contract.

## Time of delivery

Standard service is any time between 8am and 5pm. Timed deliveries can be made but at an extra cost.

In some instances it may therefore be more convenient to have items delivered to a work address where someone is present to sign for them. In the unlikely event that goods do not arrive before 5pm (for standard service, or the relevant time for a timed delivery), please let us know the following or same day.

## Meeting the delivery

Someone will need to be at the delivery address on the day of delivery.

Outside packaging should be inspected before signing the delivery note\*.

If there is no-one available to sign for delivery, arrangements will be made to re-deliver at an additional cost to the customer.

\*If parcels are damaged or have been tampered with in any way they should not be signed for unless marked 'DAMAGED' or 'SHORT DELIVERED'.

No claim for damage in transit or shortage will be accepted if signed for 'RECEIVED IN GOOD CONDITION' or 'UNCHECKED' or 'NOT EXAMINED'.

Please note that, due to Health and Safety legislation, the driver is only allowed to deliver items to the nearest hard standing (pavement or driveway) and is not required to carry the items up any steps.

Where an item is over 25KG in weight, please ensure someone is available at the delivery address to assist the driver.

Within 24 hours of receiving the item, please unwrap and thoroughly inspect goods. Any visible fault or imperfection (or missing parts) must be reported to TIMELED or in the case this has been purchased from a reseller, please contact them directly within one working day (24 hours) of receipt to enable us to send a replacement, otherwise goods shall be deemed to be acceptable.

In the unlikely event that your item is visibly faulty, please ensure that you retain all the original packaging.

  - 3.2 All samples, drawings, descriptive matter, Specifications and advertising issued by the Seller and any descriptions or illustrations contained in the Seller's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Goods described in them.   - 3.3 To the extent that the Goods are to be manufactured in accordance with a Specification supplied by the Buyer, the Buyer shall indemnify the Seller against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by the Seller in connection with any claim made against the Seller for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Seller's use of the Specification. This condition 3.3 shall survive termination of the Contract.
  - 3.4 The Seller reserves the right to amend the Specification if required by any applicable statutory or regulatory requirements. If such amendments will materially change the nature or quality of the Goods, the Seller shall notify the Buyer who may then terminate the Contract.

  - 4.4 Any dates specified by the Seller for delivery of the Goods are intended to be an estimate (and not of the essence) and time for delivery shall not be made of the essence by notice. If no dates are so specified, delivery shall be within a reasonable time.
  - 4.5 Subject to the other provisions of these conditions, the Seller shall not be liable for any direct, indirect or consequential loss (other than the Seller's loss of profit) or loss of reputation, pure economic loss, loss of profits, loss of business, depletion of goodwill and similar loss), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods (even if caused by the Seller's negligence), nor shall any delay entitle the Buyer to terminate or rescind the Contract unless such delay exceeds 180 days.
  - 4.6 If for any reason the Buyer fails to take or accept delivery of any of the Goods within 10 days of the Seller giving notice that the Goods are ready for delivery, or the Seller is unable to deliver the Goods to the Buyer because the Buyer has not provided appropriate instructions, documents, licences or authorisations:

    - (a) deliver Goods to any place at the Delivery Point beyond the ground level hard surface nearest to the Seller's vehicle; nor
    - (b) carry Goods up stairs.
  - 4.9 The Seller may deliver the Goods by separate instalments. Each separate instalment shall be invoiced and paid for in accordance with the provisions of the Contract. Any delay in delivery or defect in an instalment shall not entitle the Buyer to cancel any other instalment.
  - 4.10 Each instalment shall be a separate Contract and no cancellation or termination of any one Contract relating to an instalment shall entitle the Buyer to repudiate or cancel any other Contract or instalment.
  - 4.11 Unless the Buyer has ordered and paid for a special timed delivery at a time and place agreed by the Seller, the time of delivery shall be at any time on the date of delivery between 8am and 5pm.
- 4.12 The Buyer or its representative shall attend at the Delivery Point on the date and at the time of delivery and shall:
  - (a) forthwith inspect the outside of all packages before signing the delivery note on which note the inspector shall record all and any damage or short delivery; and
  - (b) within 24 hours of delivery:
    - (i) unpack and thoroughly inspect the Goods received; and
    - (ii) check the Goods received against the Goods ordered; and
    - (iii) report forthwith to the Seller any visible faults or imperfections and any missing Goods or parts thereof; and
    - (iv) retain the packaging and delivery documentation of any faulty or imperfect Goods for inspection by the Seller; and

  - 5.2 The Seller shall not be liable for any non-delivery of Goods (even if caused by the Seller's negligence) unless the Buyer gives written notice to the Seller of the non-delivery within 4 days of the date when the Goods would in the ordinary course of events have been received.
  - 5.3 Any liability of the Seller for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or issuing a credit note at the pro rata Contract rate against any invoice raised for such Goods.
6. Risk/title
  - 6.1 The Goods are at the risk of the Buyer from the time of delivery.
  - 6.2 All Goods supplied by the Seller free of charge remain at all times the property of the Seller unless and until the Seller has agreed in writing to sell such Goods to the Buyer and has received payment in full in accordance with sub-condition 6.3 below.
