

TIME LED[®]

ELEMENTS ABILITY BATTEN 5FT 30W

SPECIFICATION SHEET PRODUCT CODE: 314100

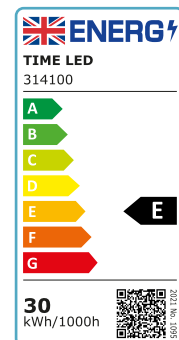

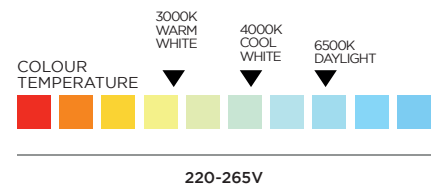

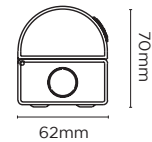

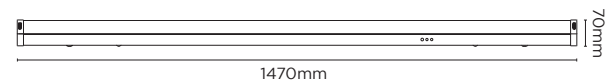

TIME LED Elements Ability batten lights provide a modern answer to traditional fluorescent tube lighting. Switching to a brighter, whiter, greener and cleaner alternative could not be easier. Multiple mounting options including side and BESA fitting, with 3 x CCT switch, and a hinged lid for fast access. Single and double power options with 130 lm/w, 120-degree beam angle, and flicker-free light, giving up to a 90% increase in energy efficiency. Turn your Ability Batten into sensor mode with our unique upgradable quick-fit discrete microwave sensor module.

SPECIFICATION

Product Code	314100
Wattage	30W
Lumens	3900lm
Lamp Type	Batten Light
Diameter/Length	1470mm
Depth/Width	62mm
Height	70mm
Lifespan	50,000hrs
Beam Angle	120°
Warm / Cool / Daylight	CCT
Colour Temp/Kelvin	3000K / 4000k / 6500k
Dimmable	NO
Warranty	5 years
Energy Rating	E
IP Rating	IP20
Material	Metal body + PC cover
Packaging	Brown box + black print

Driver Included	Yes
Current (A)	0.15
Hertz (Hz)	50/60Hz
Ra	80
Power	30W
Voltage	220-265V
Weight	1.59kg
Lumens per Watt	130
Power Factor	>0.9
Input Frequency	50/60Hz
UGR	<26
ROHS	Yes

**Optional Quick Fit Microwave
occupancy Sensor to fit this product
SKU: 314148**
